Respondents

Case:1:19-cv-01567  
Assigned To: Unassigned  
Assign. Date: 5/24/2019  
Description: Pro Se FOIA (I DECK)

DEMAND FOR INJUNCTION FOR SPECIFIC PERFORMANCE  
AND SUMMARY JUDGMENT

1. Philip Delgrosso (Delgrosso) makes a Special Appearance as a sui juris living and breathing man, an Act of God, and a foreign and immune state as evidenced by his Notices of Status on the record in the U.S. Court of Appeals in St Louis and elsewhere. He hereby categorically denies any presumption that he is a statutorial "person", or artificial entity created by the UNITED STATES OF AMERICA (USA), the U.S. Department of Justice (DOJ), or any of their political subdivisions.
2. Delgrosso made a Freedom of Information Act (FOIA) request to the Respondents via USPS Certified Mail (See Exhibit 1) that was received by their agent Roy Lathrop on October 15, 2018 (See Exhibit 2, USPS Proof of Delivery).
3. The venue provisions of both the Privacy Act and the FOIA identify the district court in the district of columbia as a proper venue for such claims. Additionally, a "foreign state" such as Delgrosso can be afforded

redress and remedy in an appropriate Article III Court such as this, and no statutory, war powers courts of law.

4. FOIA is promised on the notion that "an informed citizenry is vital to the functioning of a democratic society...and needed to check against corruption and to hold the government accountable to the governed." The Act embodies a "general philosophy of full agency disclosure."
5. On October 18, 2018 Complainant Delgrosso received a response to the aforementioned FOIA request from the Respondents with the assigned FOIA/PA Request Number 2019-00341 (See Exhibit 3). This notice asserted that the agency was extending its 10 day statutory response time "up to three months" because the records had to be "collected from a field office".
6. Complainant Delgrosso alleges that the Respondents made an agreement, which constitutes a contract, to provide the FOIA information within three months time, and that they have breached that agreement by their non compliance and non performance over a seven month time span. The Respondents have not provided the Complainant with a scintilla of disclosable information, nor has any reason been given by the Respondents for such failure, which constitutes default, breach of contract, and breach of trust.
7. Summary Judgment is appropriate where the record shows that there is no genuine issue of material fact and the movant (Complainant) is entitled to judgment as a matter of law. "FOIA cases are typically and appropriately decided on motions (demands) for summary judgment."
8. Statutory "citizens of the United States" make motions, requests,

and prayers; sovereign and immune foreign states such as Delgrosso make demands and issue ORDERS.

ORDER

9. Complainant Delgrosso hereby directs the Court to issue an ORDER mandating that the Respondents provide the aforementioned FOIA information to the Complainant as lawfully required within 30 days of receipt of this DEMAND. In the alternative, the Court is ORDERED to issue a Writ of Injunction to the Respondents mandating that they immediately cease their unlawful behavior and provide said FOIA to the Complainant. The court is further ORDERED to issue a Notice of Summary Judgment for the Complainant regarding this matter.

Your request has been assigned **FOIA/PA Request Number: 2019-00341**. **The Processing Office for your request is:** Roy Lathrop, Paralegal Specialist, Federal Correctional Institution, Southeast Region FOIA Processing Office, P.O. Box 725, Edgefield, South Carolina 29824.

Please make a note of the request number and processing office as you will need to include it in any correspondence or inquiry regarding your request.

The BOP handles each request on a first in, first out basis in relation to other requests in the same track. Your request has been assigned to the complex track and placed in chronological order based on the date of receipt. We have also determined exceptional circumstances exist as the documents responsive to your request must be searched for and collected from a field office. Thus, we are extending the time limit to respond to your request beyond the ten additional days provided by the statute. Be advised that processing complex requests may take up to three months. Pursuant to 28 C.F.R. § 16.5(b) and (c), you may narrow or modify your request in an effort to reduce the processing time.

Pursuant to 28 C.F.R. § 16.10, in certain circumstances we are required to charge fees for time spent searching for or duplicating responsive documents. If we anticipate your fees will be in excess of \$25.00 or the amount you have indicated you are willing to pay, we will notify you of the estimated amount. At that time, you will have the option to reformulate your request to reduce the fees. If you requested a fee waiver, we will make a decision whether to grant your request after we determine whether fees will be assessed for this request.

If you have questions regarding the status of your request, you may contact the Processing Office in writing at the address above. You can also check the status of your request on line at <http://www.bop.gov/PublicInfo/execute/foia>.

Sincerely,

*Roy Lathrop*
